

# Cycle Touring Bingo!

Just for fun! 😊 Cross off each item as you complete them on your LEJoG trip – see if you can beat your friends / cycle buddies

Been offered free food, drink, or even a place to stay, by a stranger you met en-route	Accidentally made a wrong turn, adding at least 2 miles to your route	Had 5 consecutive days of sunshine & blue skies	Had another mechanical problem (other than puncture or broken spoke)	Wondered if the shared cycle/footpath you're on is still legitimately a cycle path, given that all road signs stopped ages ago	Realised you forgot to bring a critical piece of equipment with you	Sampled a local cuisine speciality
Pulled a daft pose for a photo	Been passed by a car on a steep up-hill, with the occupants clapping & cheering you on!	Passed the 500 mile mark	Had your photo taken with the John o'Groats sign	Suffered a puncture	A stranger told you how impressed they are by your journey	Arrived at your campsite/hotel/B&B to find they have no record of your booking
Climbed to an elevation of higher than 400m	Been attacked by a swarm of Scottish midges	Stopped off somewhere to visit a tourist attraction	Cycled over 1000m ascent in a day	Crossed a country border (Scotland, England, Wales)	Had 5 consecutive days of rain	Swallowed a fly
Visited Lizard Point	Had a broken spoke	Got home to find you've actually gained weight (too much cake & evening beers!)	Heard (for the 50 <sup>th</sup> time...) the "joke" that cycling south must be easier than going north since it's "downhill"	Overtaken by a motor vehicle that was uncomfortably or dangerously close	Had your photo taken with the Lands End sign	Taken a day off cycling to rest or sightsee
Had a 5 mile uninterrupted descent	Passed the height of Mount Everest (8849m) in accumulated ascent	Encountered a road or cycle-lane closure	A stranger you met en-route donated to your charity appeal	Visited Dunnet Head	Cycled 70 miles in a single day	Had a day of continually cursing the headwinds
